Admin Home - 4 view the albums

The screenshot displays the Admin Home interface for viewing albums. The interface is divided into a dark sidebar on the left and a main content area on the right. The sidebar contains a 'Photos' header with a camera icon and a list of navigation links: 'Add Ablum', 'Delete Ablum', 'Edit Album', 'Setting', and 'Logout'. The main content area is titled 'Albums' and features a user profile section at the top right with a 'Username' label and a 'quit' button. Below this is a list of albums, with the first album visible showing a Dogecoin image, the name 'Album Name', the date 'April 202-2021', and the text 'Number of photos: 200'. Numbered callouts (1-11) point to specific UI elements: 1 points to the main content area, 5 points to the 'Setting' link, 6 points to the 'Delete Ablum' link, 7 points to the 'quit' button, 8 points to the 'Edit Album' link, 9 points to the 'Add Ablum' link, 11 points to the first album entry, and the text '7 or using close regular button' points to the 'quit' button.

The image shows a web application for managing photo albums. It features a dark sidebar on the left with navigation links: 'Photos', 'Add Photo', 'Delete Photo', 'Edit Photo', 'Albums', and 'Logout'. The main content area is divided into two sections: 'Album Name' and 'Photo Selected'. The 'Album Name' section displays a Bitcoin price chart and a list of album details. The 'Photo Selected' section shows a selected photo with its metadata and action buttons. Arrows point from various UI elements to numbers 1 through 13, and from external labels to search filters.
